The City should be redistricted at once, according to law. The wards should be equalized according to population. The First ward only has 50,682 inhabitants, while the Twenty-seventh has 94,360. Six of the wards contain 75,000 people. The Fifteenth has 80,532; the Twenty-fifth has 86,104; the Twenty-ninth, 89,691; the Thirty-third, 83,229.

Judge Joseph Sabath in the Speeders' Court declared that "traffic conditions have become acute because of the termination of street car lines at Adams and State streets, Van Buren and State and Harrison and State

streets. I think the street car company should be compelled to rebuild the tracks at each of these terminals and run the cars around loops," he said. "It is the only solution I can see of a bad situation. If one tried to follow out the traffic rules strictly there would be an awful jam at each of these places constantly."
